

# LEADERSHIP BOOTCAMP: **ROGER THAT**

Building & Reinforcing a Foundation for Leadership

Perfect for the organization wishing to provide its management team with a general overview of leadership concepts that impact all elements of the workplace. Topics include **supervision of personnel, dealing with generational dynamics, motivational strategies, enhancing communication** and **conflict resolution**.

## KNOWLEDGE/ LEARNING TARGETS:

Ability to set clear expectations, how to run an “impactful” meeting, how to motivate your staff, how to communicate effectively, how to have difficult accountability discussions, conflict resolution, awareness of your own leadership beliefs/style

## APPLICATION/YOU WILL LEAVE WITH:

Your customized “impactful” meeting agenda  
 Experience with difficult accountability discussions  
 “Impact Cards” for easy reference and future application of key concepts  
 ...and much more!

## PERFECT FOR:

New supervisors  
 Staff members with potential to lead  
 Supervisors wishing to go “next level”  
 Current leaders hoping to review/refine core management skills
